\*When there is no metered sewage flow, the following flow factor shall be applied to the metered water usage as shown in the tables.

The sewer rate shall be \$4.15 per 1,000 gallons of metered sewage flow.

The minimum rate applies to each residential, multi-family, and commercial connection to the Authority's sewer system, regardless of the volume of usage of water/sewer services. The minimum charge for multi-family connections applies per unit.
