

## AREA NOTICE - INFRASTRUCTURE REHABILITATION

### **Running Springs Drive Utility Relocation – Phase 99 Rehabilitation**

This rehabilitation project consists of installing a new water and sanitary sewer trunk line along Running Springs Drive from Heatherdale Dr to Brook Forest Dr and is projected to affect area traffic patterns from lane closures and detours from February 16, 2026, to October 2026.

Thank you for your patience while we improve your local water and sewer infrastructure to serve your community better. Updates will be provided as available at [www.clcwa.org](http://www.clcwa.org)
