INDEPENDENT AUDITOR'S REPORT

Board of Directors
Clear Lake City Water Authority
Harris County, Texas

We have audited the accompanying financial statements of the governmental activities and each major fund of Clear Lake City Water Authority (the "Authority"), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Authority as of September 30, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual – General Fund be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The supplementary information required by the Texas Commission on Environmental Quality as published in the *Water District Financial Management Guide* is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The supplementary information, excluding that portion marked "Unaudited" on which we express no opinion or provide any assurance, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**CLEAR LAKE CITY WATER AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021**

Management's discussion and analysis of the financial performance of Clear Lake City Water Authority (the "Authority") provides an overview of the Authority's financial activities for the fiscal year ended September 30, 2021. Please read it in conjunction with the District's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The basic financial statements include: (1) combined fund financial statements and government-wide financial statements and (2) notes to the financial statements. The combined fund financial statements and government-wide financial statements combine both: (1) the Statement of Net Position and Governmental Funds Balance Sheet and (2) the Statement of Activities and Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances. This report also includes required and other supplementary information in addition to the basic financial statements.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The Authority's annual report includes two financial statements combining the government-wide financial statements and the fund financial statements. The government-wide financial statements provide both long-term and short-term information about the Authority's overall status. Financial reporting at this level uses a perspective similar to that found in the private sector with its basis in full accrual accounting and elimination or reclassification of internal activities.

The Statement of Net Position includes the Authority's assets, liabilities and, if applicable, deferred inflows and outflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating. Evaluation of the overall health of the Authority would extend to other non-financial factors.

The Statement of Activities reports how the Authority's assets changed during the current fiscal year. All current year revenues and expenses are included regardless of when cash is received or paid.

FUND FINANCIAL STATEMENTS

The combined statements also include fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority has three governmental fund types. The General Fund accounts for resources not accounted for in another fund, maintenance tax revenues, customer service revenues, operating costs and general expenditures. The Debt Service Fund accounts for ad valorem taxes and financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes. The Capital Projects Fund accounts for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

CLEAR LAKE CITY WATER AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

FUND FINANCIAL STATEMENTS (Continued)

Governmental funds are reported in each of the financial statements. The focus in the fund statements provides a distinctive view of the Authority's governmental funds. These statements report short-term fiscal accountability focusing on the use of spendable resources and balances of spendable resources available at the end of the year. They are useful in evaluating annual financing requirements of the Authority and the commitment of spendable resources for the near-term.

Since the government-wide focus includes the long-term view, comparisons between these two perspectives may provide insight into the long-term impact of short-term financing decisions. The adjustments columns, the Reconciliation of the Governmental Funds Balance Sheet to the Statement of Net Position and the Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities explain the differences between the two presentations and assist in understanding the differences between these two perspectives.

NOTES TO THE FINANCIAL STATEMENTS

The accompanying notes to the financial statements provide information essential to a full understanding of the government-wide and fund financial statements.

OTHER INFORMATION

In addition to the financial statements and accompanying notes, this report also presents certain required supplementary information ("RSI") and other supplementary information. A budgetary comparison schedule is included as RSI for the General Fund.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of the Authority's financial position. In the case of the Authority, assets and deferred outflows of resources exceeded liabilities by \$125,436,839 as of September 30, 2021. This compares with assets and deferred outflows of resources exceeding liabilities by \$119,389,603 as of September 30, 2020. A portion of the Authority's assets reflects its net investment in capital assets (buildings and equipment as well as the water, wastewater and drainage facilities, less any debt used to acquire those assets that is still outstanding). The following is a comparative analysis of government-wide changes in net position:

CLEAR LAKE CITY WATER AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

	Summary of Changes in the Statement of Net Position

**CLEAR LAKE CITY WATER AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021**

FINANCIAL ANALYSIS OF THE AUTHORITY'S GOVERNMENTAL FUNDS

The Authority's combined fund balances as of September 30, 2021, were \$51,534,900, a decrease of \$21,544,508 from the prior year.

The General Fund fund balance decreased by \$2,100,968, primarily due to operating and capital expenditures exceeding service revenues, property tax revenues, and other revenues.

The Debt Service Fund fund balance decreased by \$329,735, primarily due to the structure of the Authority's outstanding debt and the impact of early redemption of the Series 2013 Bonds.

The Capital Projects Fund fund balance decreased by \$19,113,805, primarily due to capital expenditures paid in the current year from bond proceeds received in prior fiscal years.

GENERAL FUND BUDGETARY HIGHLIGHTS

The Board of Directors did not amend the budget during the fiscal year. Actual revenues were \$1,642,473 less than budgeted revenues and actual expenditures were \$1,668,980 less than budgeted expenditures which resulted in a positive budget variance of \$26,507 for the current fiscal year. See the budget to actual comparison for more information.

CAPITAL ASSETS

The Authority manages its system of sanitary sewer laterals and trunks using a condition assessment methodology and accounts for these items using the modified approach. The system consists of sewer laterals and trunk lines. The system is rated on a numerical condition scale ranging from 1 (brand-new condition with 40 years of expected life) to 5 (a severe deficiency which needs immediate correction and the expected life is 0 years). It is the Authority's policy to keep 75 percent of the system at a level 3 or better. The most recent conditional assessment shows that the condition of the Authority's sanitary sewer lines is in accordance with the Authority's policy.

The Authority's capital assets as of September 30, 2021, total \$182,675,386 (net of accumulated depreciation). Capital asset activity during the current fiscal year included the following:

- Water, sewer and drainage system rehabilitation and improvements
- Exploration Green Detention Facility Phase 2 and Phase 3A
- Authority's share of SEWPP rehabilitation and improvements
- Vehicles, pumps, motors, electrical upgrades and various other equipment

CLEAR LAKE CITY WATER AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

CAPITAL ASSETS (Continued)

Capital Assets At Year-End, Net of Accumulated Depreciation			Change Positive (Negative)
	2021	2020	
Capital Assets Not Being Depreciated:			
Land and Land Improvements	\$ 6,908,827	\$ 6,908,827	\$

Construction in Progress	23,851,824	22,565,587	1,286,237
Capital Assets, Net of Accumulated Depreciation:			
Buildings	1,052,952	1,121,941	(68,989)
Water System	31,330,900	31,368,548	(37,648)
Sanitary Sewer System	8,723,259	8,953,015	(229,756)
Drainage System	42,720,557	28,938,779	13,781,778
Equipment	1,160,559	1,135,666	24,893
Total Net Capital Assets	\$ 182,675,386	\$ 164,462,509	\$ 18,212,877

LONG-TERM DEBT ACTIVITY

As of September 30, 2021, the Authority had total bond debt payable of \$108,375,000. The changes in the debt position of the Authority during the fiscal year ended September 30, 2021, are summarized as follows:

Bond Debt Payable, October 1, 2020	\$ 117,675,000
Less: Bond Principal Paid and Refunded	9,300,000
Bond Debt Payable, September 30, 2021	\$ 108,375,000

The Authority's bonds carry underlying ratings of "AA-" by Standard & Poor's or "Aa3" by Moody's. The Series 2017 bonds carried an insured rating of "Baa2" (Moody's) by virtue of bond insurance issued by National Public Finance Guarantee Corporation prior to the rating being withdrawn. The Series 2017A bonds carry an insured rating of "A2" (Moody's), "AA" (S&P) and "AA+" (Kroll) by virtue of bond insurance issued by Assured Guaranty Municipal Corp.

CONTACTING THE AUTHORITY'S MANAGEMENT

This financial report is designed to provide a general overview of the Authority's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to Clear Lake City Water Authority, 900 Bay Area Blvd., Houston, TX 77058-2604.

**CLEAR LAKE CITY WATER AUTHORITY
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2021**

Total Fund Balances - Governmental Funds	\$	51,534,900
--	----	------------

Amounts reported for governmental activities in the Statement of Net Position are different because:

Prepaid leases are recorded in the Statement of Net Position and amortized over the term of the lease.		476,602
--	--	---------

Interest paid in advance as part of a refunding bond sale is recorded as a deferred outflow in governmental activities and systematically charged to interest expense over the remaining life of the old debt or the life of the new debt, whichever is shorter.		324,808
--	--	---------

Capital assets used in governmental activities are not current financial resources and, therefore, are not reported as assets in the governmental funds.		182,675,386
--	--	-------------

Deferred inflows of resources related to property tax revenues and penalty and interest receivable on delinquent taxes for the 2020 and prior tax levies became part of recognized revenue in the governmental activities of the Authority.		306,219
---	--	---------

Certain liabilities are not due and payable in the current period and, therefore, are not reported as liabilities in the governmental funds. These liabilities at year end consist of:

Accrued Interest Payable	\$ (310,768)	
Bonds Payable	<u>(109,570,308)</u>	<u>(109,881,076)</u>

Total Net Position - Governmental Activities	\$	<u><u>125,436,839</u></u>

CLEAR LAKE CITY WATER AUTHORITY
RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF
REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2021

Net Change in Fund Balances - Governmental Funds \$ (21,544,508)

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report tax revenues when collected. However, in the Statement of Activities, revenue is recorded in the accounting period for which the taxes are levied. (29,846)

Governmental funds report penalty and interest revenue on property taxes when collected. However, in the Statement of Activities, revenue is recorded when penalties and interest are assessed. 4,821

Governmental funds do not account for depreciation and amortization. However, amortization and depreciation expense of capital assets and intangible assets is recorded in the Statement of Activities. (3,810,287)

Governmental funds report capital expenditures as expenditures in the period purchased. However, in the Statement of Net Position, capital assets are increased by new purchases and the Statement of Activities is not affected. 21,983,164

Governmental funds report bond principal payments as expenditures. However, in the Statement of Net Position, bond principal payments are reported as decreases in long-term liabilities. 9,300,000

Governmental funds report interest expenditures on long-term debt as expenditures in the year paid. However, in the Statement of Net Position, interest is accrued on the long-term debt through fiscal year-end. 143,892

Change in Net Position - Governmental Activities \$ 6,047,236

The accompanying notes to the financial statements are an integral part of this report.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 1. CREATION OF AUTHORITY

The Clear Lake City Water Authority was created May 6, 1963, by Statute 8280-280, 58th Legislature of the State of Texas. Pursuant to the provisions of Chapters 49 and 51 of the Texas Water Code, among other powers, the Authority is empowered to purchase, operate and maintain all facilities, plants and improvements necessary to provide water, sanitary sewer service and storm sewer drainage. Although the Authority is also empowered to contract for or employ its own peace officers with powers to make arrests and to establish, operate and maintain a fire department to perform all fire-fighting activities within the Authority and to provide irrigation, solid waste collection and disposal, including recycling, and to construct parks and recreational facilities for the residents of the Authority, to date it has chosen not to exercise any of these powers. The Authority comprises approximately 15,650 acres in Harris County, Texas, located in the area of NASA's Johnson Space Center and owns approximately two acres in Houston County, Texas. The Authority is under the oversight of the Texas Commission on Environmental Quality (the "Commission").

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as promulgated by the Governmental Accounting Standards Board ("GASB"). In addition, the accounting records of the Authority are maintained generally in accordance with the *Water District Financial Management Guide* published by the Commission.

The Authority is a political subdivision of the State of Texas governed by an elected board. GASB has established the criteria for determining whether an entity is a primary government or a component unit of a primary government. The primary criteria are that it has a separately elected governing body, it is legally separate, and it is fiscally independent of other state and local governments. Under these criteria, the Authority is considered a primary government and is not a component unit of any other government. Additionally, no other entities meet the criteria for inclusion in the Authority's financial statement as component units.

Financial Statement Presentation

These financial statements have been prepared in accordance with GASB Codification of Governmental Accounting and Financial Reporting Standards Part II, Financial Reporting ("GASB Codification").

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation (Continued)

The GASB Codification sets forth standards for external financial reporting for all state and local government entities, which include a requirement for a Statement of Net Position and a Statement of Activities. It requires the classification of net position into three components: Net Investment in Capital Assets; Restricted; and Unrestricted. These classifications are defined as follows:

- Net Investment in Capital Assets – This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
- Restricted Net Position – This component of net position consists of external constraints placed on the use of net position imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulation of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- Unrestricted Net Position – This component of net position consists of assets that do not meet the definition of Restricted or Net Investment in Capital Assets.

When both restricted and unrestricted resources are available for use, generally it is the Authority's policy to use restricted resources first.

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the Authority as a whole. The Authority's Statement of Net Position and Statement of Activities are combined with the governmental fund financial statements. The Authority is viewed as a special-purpose government and has the option of combining these financial statements.

The Statement of Net Position is reported by adjusting the governmental fund types to report on the full accrual basis, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. Any amounts recorded due to and due from other funds are eliminated in the Statement of Net Position.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Government-Wide Financial Statements (Continued)

The Statement of Activities is reported by adjusting the governmental fund types to report only items related to current year revenues and expenditures. Items such as capital outlay are allocated over their estimated useful lives as depreciation expense. Internal activities between governmental funds, if any, are eliminated to obtain net total revenues and expenses of the government-wide Statement of Activities.

Fund Financial Statements

The Authority's fund financial statements are combined with the government-wide financial statements. The fund financial statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances.

Governmental Funds

The Authority has three governmental funds and considers them to be major funds.

General Fund - To account for resources not required to be accounted for in another fund, maintenance taxes, customer service revenues, operating costs and general expenditures.

Debt Service Fund - To account for ad valorem taxes and financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes.

Capital Projects Fund - To account for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

Basis of Accounting

The Authority uses the modified accrual basis of accounting for governmental fund types. The modified accrual basis of accounting recognizes revenues when both "measurable and available." Measurable means the amount can be determined. Available means collectable within the current period or soon enough thereafter to pay current liabilities. The Authority considers revenue reported in governmental funds to be available if they are collectable within 60 days after year end. Also, under the modified accrual basis of accounting, expenditures are recorded when the related fund liability is incurred.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

Property taxes considered available by the Authority and included in revenue include taxes collected during the year and taxes collected after year-end, which were considered available to defray the expenditures of the current year. Deferred inflows of resources related to property tax revenues are those taxes which the Authority does not reasonably expect to be collected soon enough in the subsequent period to finance current expenditures.

Amounts transferred from one fund to another fund are reported as other financing sources or uses. Loans by one fund to another fund and amounts paid by one fund for another fund are reported as interfund receivables and payables in the Governmental Funds Balance Sheet if there is intent to repay the amount and if the debtor fund has the ability to repay the advance on a timely basis. As of September 30, 2021, the Debt Service Fund owed the General Fund \$536,350 for operating expenses, \$52,567 for maintenance tax revenues, and \$7,380 for bond related costs; the Capital Projects Fund owed the General Fund \$1,700,341 for construction costs; and the General Fund owed the Capital Projects Fund \$53,632 for construction related costs.

Capital Assets

The accounting treatment of capital assets depends on whether the assets are reported in the government-wide or fund financial statements. Capital assets are not reported as assets in governmental funds but are reported as assets in the government-wide Statement of Net Position. The Authority manages its system of sanitary sewer laterals and trunks using a condition assessment methodology and accounts for this system using the modified approach. The remaining capital assets are recorded at historical cost and depreciated over their estimated useful lives unless they are inexhaustible, such as land. Depreciation is not recorded on items classified as construction in progress. Depreciation expense is reported in the government-wide Statement of Activities. In implementing GASB Statement No. 34, the Authority estimated historical cost of infrastructure assets beginning with the creation of the Authority. The Authority uses a capitalization threshold of \$5,000. Assets are depreciated on the straight-line method. Depreciation is calculated using the following estimated useful lives:

	Years
Buildings	40
Water, Wastewater, Drainage Systems	10-45
All Other Equipment	3-20

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Inventory

Inventory is recorded on the average cost basis. Average cost is calculated on the average cost of each specific item during the fiscal year. The Authority's inventory balance as of September 30, 2021, was \$79,261.

Budgeting

An annual unappropriated budget is adopted for the General Fund by the Authority's Board of Directors. The budget is prepared using the same method of accounting as for financial reporting. The original General Fund budget for the current year was not amended. The Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – General Fund presents the original budget amounts compared to the actual amounts of revenues and expenditures for the current year.

Pensions

For employees of the Authority, a pension plan has been established and is managed by an independent plan administrator (see Note 7). The Internal Revenue Service has determined that the directors are considered employees for federal payroll tax purposes only. Directors do not participate in the pension plan.

Measurement Focus

Measurement focus is a term used to describe which transactions are recognized within the various financial statements. In the government-wide Statement of Net Position and Statement of Activities, the governmental activities are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position, and cash flows. All assets and liabilities associated with the activities are reported. Fund equity is classified as net position.

Governmental fund types are accounted for on a spending or financial flow measurement focus. Accordingly, only current assets and current liabilities are included on the Balance Sheet, and the reported fund balances provide an indication of available spendable or appropriable resources. Operating statements of governmental fund types report increases and decreases in available spendable resources. Fund balances in governmental funds are classified using the following hierarchy:

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus (Continued)

Nonspendable: amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted: amounts that can be spent only for specific purposes because of constitutional provisions, or enabling legislation, or because of constraints that are imposed externally.

Committed: amounts that can be spent only for purposes determined by a formal action of the Board of Directors. The Board is the highest level of decision-making authority for the Authority. This action must be made no later than the end of the fiscal year. Commitments may be established, modified, or rescinded only through ordinances or resolutions approved by the Board. The Board has committed the year-end General Fund fund balance as follows - \$902,159 for SEWPP rehabilitation, \$250,000 for unbudgeted major repairs of facilities, and \$1,553,968 for emergencies. See also Note 8 for information related to the sick leave fund balance commitment.

Assigned: amounts that do not meet the criteria to be classified as restricted or committed, but that are intended to be used for specific purposes. The Authority has not adopted a formal policy regarding the assignment of fund balances. The Authority assigned \$635,155 of its General Fund fund balance to cover the budgeted deficit in the next fiscal year.

Unassigned: all other spendable amounts in the General Fund.

When expenditures are incurred for which restricted, committed, assigned or unassigned fund balances are available, the Authority considers amounts to have been spent first out of restricted funds, then committed funds, then assigned funds, and finally unassigned funds.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 3. LONG-TERM DEBT (Continued)

The following is a summary of transactions regarding bonds payable for the year ended September 30, 2021:

	October 1, 2020	Additions	Retirements	September 30, 2021
Bonds Payable	\$ 117,675,000	\$	\$ 9,300,000	\$ 108,375,000
Unamortized Discounts	(626,971)		(36,004)	(590,967)
Unamortized Premiums	1,993,078		206,803	1,786,275
Bonds Payable, Net	<u>\$ 119,041,107</u>	<u>\$ -0-</u>	<u>\$ 9,470,799</u>	<u>\$ 109,570,308</u>
			Amount Due Within One Year	\$ 7,005,000
			Amount Due After One Year	<u>102,565,308</u>
			Bonds Payable, Net	<u>\$ 109,570,308</u>

As of September 30, 2021, the Authority had authorized but unissued bonds in the amount of \$20,063,394 for utility facilities and \$182,322,483 for refunding bonds. As of September 30, 2021, the debt service requirements on the bonds outstanding were as follows:

Fiscal Year	Principal	Interest	Total
2022	\$ 7,005,000	\$ 3,619,159	\$ 10,624,159
2023	5,360,000	3,403,449	8,763,449
2024	5,550,000	3,185,476	8,735,476
2025	5,760,000	2,960,831	8,720,831
2026	5,965,000	2,744,282	8,709,282
2027-2031	31,365,000	10,427,554	41,792,554
2032-2036	33,445,000	5,130,038	38,575,038
2037-2038	13,925,000	478,419	14,403,419
	<u>\$ 108,375,000</u>	<u>\$ 31,949,208</u>	<u>\$ 140,324,208</u>

The bonds of the Authority are payable from the proceeds of an ad valorem tax levied upon all property subject to taxation within the Authority, without limitation as to rate or amount, and are further payable from and secured by a lien on and pledge of the net revenues to be received from the operation of the Authority's waterworks and sanitary sewer system. The Bond Orders require that the Authority levy and collect an ad valorem debt service tax sufficient to pay interest and principal on bonds when due and the cost of assessing and collecting taxes.

On February 23, 2021, the Authority used available Debt Service Fund monies to retire \$2,105,000 of its Series 2013 Unlimited Tax and Revenue Bonds. The Series 2013 bonds had maturity dates of 2030 - 2038 and interest rates of 4.00%-4.25%.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 3. LONG-TERM DEBT (Continued)

During the year ended September 30, 2021, the Authority levied an ad valorem debt service tax and maintenance tax as follows:

	<u>2020 Appraised Valuation</u>	<u>Tax Rates Per \$100 Of Valuation</u>	<u>Tax Levy</u>
Debt Service Tax Levy		\$0.21	\$ 12,873,151
Maintenance Tax Levy		<u>\$0.05</u>	<u>3,065,036</u>
Totals	<u>\$ 6,130,071,684</u>	<u>\$0.26</u>	<u>\$ 15,938,187</u>

On August 14, 1982, the voters of the Authority approved the levy and collection of a maintenance tax not to exceed \$0.05 per \$100 of assessed valuation of taxable property within the Authority. A maintenance tax is to be used by the General Fund to pay expenditures of operating and maintaining the Authority's waterworks, sanitary sewer, and drainage system. District No. 75 has paid off the bonds that existed prior to the merger with Clear Lake City Water Authority.

All property values and exempt status, if any, are determined by the appraisal district. Assessed values are determined as of January 1 of each year, at which time a tax lien attaches to the related property. Taxes levied around October/November, are due upon receipt and are delinquent the following February 1. Penalty and interest attach thereafter.

NOTE 4. SIGNIFICANT BOND ORDER AND LEGAL REQUIREMENTS

The Authority is required to provide to certain information repositories continuing disclosure of annual financial information and operating data with respect to the Authority. The information is of the general type included in the annual financial report and must be filed within six months after the end of each fiscal year of the Authority.

The bond orders state that so long as any of the bonds or coupons remain outstanding, the Authority covenants that it will at all times keep insured such parts of the system as are customarily insured by municipal corporations and political subdivisions in Texas operating like properties in similar locations under the same circumstances with a responsible insurance company or companies against risks, accidents or casualties against which and to the extent insurance is customarily carried by such municipal corporations and political subdivisions.

The Authority has covenanted that it will take all necessary steps to comply with the requirement that rebatable arbitrage earnings on the investment of the gross proceeds of the bonds be rebated to the federal government, within the meaning of Section 148(f) of the Internal Revenue Code. The minimum requirement for determination of the rebatable amount is on the five-year anniversary of each issue.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 5. DEPOSITS AND INVESTMENTS

Deposits

Custodial credit risk is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The Authority’s deposit policy for custodial credit risk requires compliance with the provisions of Texas statutes.

Texas statutes require that any cash balance in any fund shall, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, be continuously secured by a valid pledge to the Authority of securities eligible under the laws of Texas to secure the funds of the Authority, having an aggregate market value, including accrued interest, at all times equal to the uninsured cash balance in the fund to which such securities are pledged. At fiscal year end, the carrying amount of the Authority’s deposits was \$5,436,143 and the bank balance was \$6,300,849. The Authority was not exposed to custodial credit risk at year-end. The carrying values of the deposits are included in the Governmental Funds Balance Sheet and the Statement of Net Position at September 30, 2021, as listed below:

	Cash
GENERAL FUND	\$ 988,104
DEBT SERVICE FUND	8,790
CAPITAL PROJECTS FUND	4,439,249
TOTAL DEPOSITS	\$ 5,436,143

Investments

Under Texas law, the Authority is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity and that address investment diversification, yield, maturity, and the quality and capability of investment management, and all Authority funds must be invested in accordance with the following investment objectives: understanding the suitability of the investment to the Authority’s financial requirements, first; preservation and safety of principal, second; liquidity, third; marketability of the investments if the need arises to liquidate the investment before maturity, fourth; diversification of the investment portfolio, fifth; and yield, sixth. The Authority’s investments must be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived.” No person may invest Authority funds without express written authority from the Board of Directors.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Investments (Continued)

Texas statutes include specifications for and limitations applicable to the Authority and its authority to purchase investments as defined in the Public Funds Investment Act. The Authority has adopted a written investment policy to establish the guidelines by which it may invest. This policy is reviewed annually. The Authority's investment policy may be more restrictive than the Public Funds Investment Act.

The Authority invests in TexPool, an external investment pool that is not SEC-registered. The State Comptroller of Public Accounts of the State of Texas has oversight of the pool. Federated Investors, Inc. manages the daily operations of the pool under a contract with the Comptroller. TexPool measures its portfolio assets at amortized cost. As a result, the Authority also measures its investments in TexPool at amortized cost for financial reporting purposes. There are no limitations or restrictions on withdrawals from TexPool. As of September 30, 2021, the Authority had the following investments and maturities:

Fund and Investment Type	Fair Value	Maturities of Less Than 1 Year
<u>GENERAL FUND</u>		
TexPool	\$ 8,848,745	\$ 8,848,745
<u>DEBT SERVICE FUND</u>

TOTAL INVESTMENTS	\$ 51,135,397	\$ 51,135,397

Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. At September 30, 2021, the Authority's investment in TexPool was rated AAAM by Standard and Poor's.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Authority considers the investments in TexPool to have a maturity of less than one year due to the fact the share position can usually be redeemed each day at the discretion of the Authority, unless there has been a significant change in value.

Restrictions

All cash and investments of the Debt Service Fund are restricted for the payment of debt service and the cost of assessing and collecting taxes. All cash and investments of the Capital Projects Fund are restricted for the purchase of capital assets.

The sanitary sewer laterals and trunk lines are accounted for using the modified approach. The condition of the Authority's sanitary sewer lateral and trunk system is determined using a condition assessment methodology. The Authority uses a numerical condition scale ranging from 1.00 (new) to 5.00 (severe deficiency with no useful life remaining). It is the Authority's policy to keep 75% of the system in level 3.00 or better condition. The condition assessments as of September 30, 2021, September 30, 2020, and September 30, 2019, were 2.29, 2.26, and 2.19, respectively.

2017	\$ 547,461	\$ 1,651,119

NOTE 7. PENSION PLAN

On October 1, 1991, the Authority established a defined contribution plan (the "Plan") for its eligible full-time employees. The Plan is a qualified pension plan under Section 401(a) of the Internal Revenue Code and is administered by International City Management Association ("ICMA"). Eligibility requirements include full-time employment status and completion of one year of service. The Plan requires the Authority to contribute, on behalf of each employee, 10.0% of the employee's earnings, as defined in the Plan agreement.

NOTE 8. SICK LEAVE

The Authority has a sick leave policy whereby sick leave accrues at the rate of one day per month for each employee. Retiring employees and those terminated without cause may be paid for their unused sick leave upon termination of employment. The Authority has designated an investment account to cover the potential cost of this benefit to its employees; therefore, no liability has been recorded in the financial statements. Sick leave is recorded as an expenditure only when paid. As of the balance sheet date, \$588,344 of the General Fund fund balance has been committed for this future obligation.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 9. EXCLUSION CONTRACTS AND SERVICE AGREEMENTS

On May 12, 1999, the Authority executed two contracts, an Exclusion Contract and a Service Agreement, both with Harris County Water Control & Improvement District No. 156 (“District No. 156”). The contract was later amended on October 16, 2000, and December 9, 2010. On March 10, 1999, the Texas Commission on Environmental Quality (“the Commission”) entered an order creating District No. 156. On May 1, 1999, District No. 156 held elections confirming creation of District No. 156 and authorizing the Exclusion Contract. The Exclusion Contract provides for the exclusion of 142.368 acres of land from the Authority and for the payment of a pro rata share of the Authority’s debt service on the excluded land. The term of the Exclusion Contract is 40 years. The agreement calls for District No. 156 to account for monies derived from taxes and investment earnings in an account titled the Exclusion Contract Fund. The Authority assigned to District No. 156 all rights and duties with respect to the Bay Oaks Sales and Lease of Facilities Agreement and the Pine Brook Sales and Lease of Facilities Agreement that provide for development of utilities within District No. 156. The Authority further agreed to provide water and sanitary sewer utility service to District No. 156 at a cost not to exceed one and a half times the cost charged to customers in the Authority. On or before March 1 each year, District No. 156 is to pay the Authority from its tax proceeds based upon the following schedule unless altered by later refundings as provided for in the Exclusion Contract.

<u>Year</u>	<u>Allocable Debt</u>
2022	\$ <u>308</u>

The Service Agreement has a term of 40 years. District No. 156 will provide for the construction of facilities that will connect to the Authority’s facilities and the facilities will be fully integrated into the utility system of the Authority. Service personnel of the Authority will provide services to District No. 156 customers on the same basis as Authority customers. The Authority will bill and collect tap and other fees in accordance with District No. 156’s rate order and the Authority will charge District No. 156 for those services at the cost of providing the services. The Authority will provide service to District No. 156 customers on the same basis as Authority customers under the terms of the Authority’s rate order. For the higher amount of \$500 or \$10 per connection billed, the Authority’s service personnel will provide services to the customers of District No. 156 as spelled out in the contract. In addition, District No. 156 will pay for water and sanitary sewer service on a per-connection basis of 150% of the fees charged by the Authority based upon its rate order.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 9. EXCLUSION CONTRACTS AND SERVICE AGREEMENTS (Continued)

On December 24, 2014, the Authority executed two contracts, an Exclusion Contract and a Service Agreement, both with Harris County Water Control & Improvement District No. 161 (“District No. 161”). On November 4, 2014, District No. 161 held elections confirming creation of District No. 161 and authorizing the Exclusion Contract. The Exclusion Contract provides for the exclusion of approximately 411 acres of land from the Authority and for the payment of a pro rata share of the Authority’s debt service on the excluded land. The term of the Exclusion Contract is 40 years. The agreement calls for District No. 161 to account for monies derived from taxes and investment earnings in an account titled the Exclusion Contract Fund. The Authority further agreed to provide water and sanitary sewer utility service to District No. 161 at a cost not to exceed one and a half times the cost charged to customers in the Authority. On or before March 1 each year, District No. 161 is to pay the Authority from its tax proceeds based upon the following schedule unless altered by later refundings as provided for in the Exclusion Contract.

TOTAL	<u>\$ 59,666</u>

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 9. EXCLUSION CONTRACTS AND SERVICE AGREEMENTS (Continued)

The Service Agreement has a term of 40 years. District No. 161 will provide for the construction of facilities that will connect to the Authority's facilities and the facilities will be fully integrated into the utility system of the Authority. Service personnel of the Authority will provide services to District No. 161 customers on the same basis as Authority customers. The Authority will bill and collect tap and other fees in accordance with District No. 161's rate order and the Authority will charge District No. 161 for those services at the cost of providing the services.

The Authority will provide service to District No. 161 customers on the same basis as Authority customers under the terms of the Authority's rate order. For the higher amount of \$500 or \$10 per connection billed, the Authority's service personnel will provide services to the customers of District No. 161 as spelled out in the contract. In addition, District No. 161 will pay for water and sanitary sewer service on a per-connection basis of 150% of the fees charged by the Authority based upon its rate order.

On December 27, 2018, Kaneka North America LLC and its affiliated entities ("Kaneka") filed a petition with the Authority to exclude its land from the Authority. On February 20, 2019, the Authority entered into an order with Kaneka providing for the exclusion of the land (approximately 193 acres) and for Kaneka's payment of its share of the Authority's outstanding debt. In accordance with HB 1324, landowners who de-annex from the Authority, including Kaneka, remain responsible for their pro-rata share of the then outstanding share of the Authority's tax supported debt (including debt to refund Authority debt outstanding on the exclusion date) as of the effective date of their exclusion. Pursuant to the provisions of HB 1324, any exclusion of land from the boundaries of the Authority under such provision does not invalidate any bonds authorized by the voters of the Authority. Kaneka's exclusion payment totaled \$418,770 for the current fiscal year.

NOTE 10. WATER SUPPLY CONTRACT

The Authority and the City of Houston entered into a Cost Sharing Water Project Contract (the "Contract") wherein the Authority, certain other municipal utility districts, the Galveston County Water District and the Cities of Nassau Bay, Pasadena, Webster, Friendswood, La Porte, and Houston agreed to jointly finance the construction and operation of the Southeast Water Treatment Plant to be constructed and operated by the City of Houston. Under the terms of the Contract, the Authority purchased an additional 12.95 MGD peak daily capacity for a total of 20.45 MGD capacity in the Southeast Water Treatment Plant. The Southeast Water Treatment Plant is the primary source of potable water for the Authority, and the Authority has the right to purchase additional capacity in future plant expansions or unused capacity from other participants. Other municipalities and governmental entities have entered into similar contracts to participate in the financing of the construction and operation of the Southeast Water Treatment Plant. It is agreed in the Contract that up to 20.45 MGD of potable water will be delivered by the

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 10. WATER SUPPLY CONTRACT (Continued)

Southeast Water Treatment Plant to the Authority at the current rate of \$0.6615 per 1,000 gallons. This rate may be annually adjusted based upon changes in the operation and maintenance.

NOTE 11. RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters. The Authority carries commercial insurance for its fidelity bonds and participates in the Texas Municipal League Intergovernmental Risk Pool (TML) to provide property, mobile equipment, general liability, boiler and machinery, errors and omissions, public employee dishonesty, automobile, and workers compensation coverage. The Authority, along with other participating entities, contributes annual amounts determined by TML's management. As claims arise, they are submitted and paid by TML. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

NOTE 12. DRAINAGE PARTICIPATION AGREEMENT

Effective May 8, 2012, the Authority entered into a Drainage Participation Agreement with the City of Houston, Texas (the "City"). The Authority will at all times operate and maintain all existing and future drainage facilities constructed by the Authority. The Authority will also construct improvements to that portion of the drainage facilities it owns and which it normally and historically has maintained and operated as is necessary in the sole discretion of the Authority to provide adequate drainage within the Authority. The Authority will not be required to design and construct drainage facilities for service beyond the Authority's jurisdiction. The City agrees to continue to maintain, operate, and improve that portion of the drainage facilities it owns and which it normally and historically has maintained, operated, or controlled.

In return for the Authority's maintenance, operation and improvement of that portion of the drainage facilities it owns and which it normally and historically has maintained, operated, or controlled, the City agrees that it will neither bill nor collect the annual drainage revenue for so long as the Authority's annual allocable costs, calculated on the basis of the anticipated allocable costs for the ensuing billing year, or averaged over a five-year period, beginning in billing year 2012-2013 and calculated for each successive billing year thereafter, offset the annual drainage revenue for the same year. The term of this agreement is ten years from the effective date.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 13. GENERATOR LEASE

The Authority executed an agreement with NRG Energy Services LLC (“NRG”) dated November 10, 2011, for the lease of nine generators to service Water Pumping Station 3, Water Pumping Station 4, Lift Station 4 and the Wastewater Treatment Plant. The generators will remain the property of NRG throughout the 20-year term of the agreement. The Authority elected to make a buy down payment of \$800,000 to reduce the monthly service fees. Monthly service fees for the 1st, 2nd, 3rd, and 4th five-year terms of the agreement are \$20,880, \$18,630, \$14,130 and \$11,880, respectively. As of September 30, 2021, the prepaid lease balance was \$476,602 and the Authority recognized amortization expense of \$40,000.

NOTE 14. INTERLOCAL AGREEMENTS

The Authority entered into an agreement with the Texas Parks and Wildlife Department (“TPWD”) for development of Exploration Green, Phase 3, to include the following facilities: pedestrian trail, benches, wetland plantings, native landscaping and irrigation. Under the agreement, the TPWD will fund up to \$500,000 over the term of the agreement, which began September 24, 2018 and ended September 30, 2021. In the current fiscal year, the TPWD funded \$63,014 in relation to this project.

The Authority entered into an agreement with Harris County (the “County”) to jointly accomplish the construction of the Exploration Green, Phases 2, 3A and 4 Trail Systems. In the current fiscal year, the County funded \$450,000 in relation to this project.

NOTE 15. REFUNDING BOND SALE

Subsequent to year end, on December 9, 2021, the Authority closed on the sale of its \$19,160,000 Waterworks and Sewer System Combination Unlimited Tax and Revenue Refunding Bonds, Series 2021. Proceeds were used to refund: \$1,185,000 of the Series 2013 Bonds with interest rates of 3.00% to 4.00%, maturity dates of 2023 through 2029 and redemption date of December 9, 2021; and \$19,200,000 of the Series 2013A Bonds with interest rates of 4.00% to 5.25%, maturity dates of 2023-2037 and redemption date of March 1, 2022. The refunding resulted in gross debt service savings of \$3,705,882 and net present value savings of \$3,127,152.

CLEAR LAKE CITY WATER AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 16. ECONOMIC UNCERTAINTIES

On March 11, 2020, the World Health Organization declared the COVID-19 virus a global pandemic. Since that time, the Authority has not experienced any decrease in property values, unusual tax delinquencies, or interruptions to service as a result of COVID-19. The Authority will continue to carefully monitor the situation and evaluate the financial statement impact, if any, that results from the pandemic.
